

Rebecca Lynne Dilks

Daughter of Herbert C. and Linda A. Dilks

As a student of Delsea Regional High School, I have had the privilege of participating in various school activities. Some of which include marching band for five years, concert choir, select choir, women's choir, concert band and three of the high school musicals. Through the support of the high school I have been able to take part in special outside activities like Rowan University Community Choir, All South Jersey Choir, All State Women's Choir and SATB Choir in which I was the Soprano 1 section leader. Also I have had the wonderful privilege of participating in the All-Eastern Choir this year in Providence, Rhode Island. Along with my school activities I have participated in the Elmer United Methodist Church musicals since I was seven years old as well as their Junior and Senior Choirs. Through the church I have taken part in a Christian summer camp known as Malaga Music, Art, and Drama (MAD) Camp. In all the musicals that I have participated in I have been fortunate to play lead roles in many of them including Queen Ester in "Bow Down" to my most recent role of Kim in "Bye, Bye, Birdie." I am looking forward to pursuing a degree in music education with a vocal concentration at Rowan University this coming fall.
